PROFESSIONAL PROFILE

I am an award-winning User Interface (UI) Designer and Consultant and my passion is designing engaging, effective, picture-perfect user experiences for the digital world.

TECHNICAL SKILLS

SOFTWARE:	Photoshop CS6/CC, Dreamweaver CS6/CC, Illustrator CS6/CC, Indesign CS6/CC, Sublime Text 3, Axure, Visio, OmniGraffle, CSSEdit, Espresso, Balsamiq
LANGUAGES:	HTML/CSS, HTML5/CSS3, JavaScript, JQuery, CSS3 Animations
CMS:	E-Learning CMS, Server Press, WordPress

PROFESSIONAL EXPERIENCE HIGHLIGHTS

Hubbard Digital – Atlanta, GA

UI/UX DESIGNER AND SUBJECT MATTER EXPERT

01/16 – Present

As a part-time consultant with a small metro Atlanta agency, assist with User Interface and Experience design for Hybrid Mobile Applications that utilize Web Basic Standards (HTML, CSS, and JavaScript) in MVVM application pattern. Also provide direction for web sites utilizing “mobile-first” approach.

Sigma Delta Epsilon-Graduate Women in Science – New York, NY

FREELANCE-GRAPHIC DESIGNER

05/16 – 06/16

Redesigned a new brochure utilizing user interface, graphic, visual and typography design skills and color theory for Sigma Delta Epsilon-Graduate Women in Science, a non-profit organization that is an inter-disciplinary society of scientists who encourage and support women to enter and achieve success in science through full participation in their scientific research and its applications.

WEBHOSTING365 – Los Angeles, CA

FREELANCE-GRAPHIC DESIGNER

04/16 – 06/16

Redesigned logo for an Internet hosting service that allows organizations and individuals to make their website accessible via the internet.

Mockplus – Los Angeles, CA

FREELANCE-GRAPHIC DESIGNER

03/16 – 03/16

Redesigned logo for a simple, code-free, easy-to-use prototyping tool that allows you to totally focus on the design instead of spending time on learning the design tools.

Design Communication Arts: Advanced Web & Interaction Design and User Experience – Los Angeles, CA

PART-TIME STUDENT - University of California, UCLA Extension

01/13 – 12/14

Enrolled in the Design Communications Arts program online courses for Advanced Web & Interaction Design, User Experience, and Responsive Web Design certificate.

Reed Elsevier/MC Strategies – Atlanta, GA

WEB DEVELOPER eLEARNING CONTENT & MEDIA DEVELOPER

11/09 - 01/13

Produced and launched eLearning content courses using *XHTML*, *CSS*, *JavaScript*, *Flash*, and *jQuery* assets. Created custom graphics for various eLearning courses, wrote documentation for glossary terms ID process, and converted Regulatory Essentials English eLearning lessons to Spanish versions.

- Promoted to Web Content Development team based on excellent project performance as a member of the Multimedia Development team.
- Helped develop over 15,000 eLearning content courses, including creation of over 50 storyboards and production of 79 SCORM content courses for allied healthcare industries.
- Trained four media developers on a variety of e-learning courses utilizing web design and programming skills.

United Way of Greater Atlanta – Atlanta, GA

WEB DEVELOPER

09/08 - 04/09

Worked collaboratively with the Marketing team, designed and created site maps, wireframes, content inventory, electronic signatures, PSD mock-ups, and graphic web buttons. Developed and implemented front-end and database back-end maintenance of internal and external websites.

- Facilitated Marketing efforts by writing methodology process guides that outlined protocols to follow and maintaining and updating website content with real-time level of responsiveness.
- Incorporated various partnership PSA announcement videos into existing website using *Slideshow Pro* and applied social media technology know-how to increase exposure to target audiences.
- Debugged issues using *XHTML*, *CSS*, *ASP*, and *ASP.NET* programming languages. Implemented and customized *Web 2.0* open-source components and applications into existing websites.

Cornerstone Media Group – Lilburn, GA

WEB DEVELOPER & PROJECT MANAGER

03/08 - 08/08

Created, updated and enhanced client websites, including design of layouts (site maps, PSD mock-ups, wireframes, and prototypes). Capably handled client communications to ensure project success.

- Consistently commended by clients for meeting all project deadlines efficiently and on time.
- Concurrently managed up to sixteen projects and assisted with special projects as needed.

ADDITIONAL EXPERIENCE

WEB DESIGN INTERN, AT&T Advertising & Publishing, Atlanta, GA
